- The eliminatoires will be held at Paris-Vincennes racetrack and at [Göthenburg-Åby](#) racetrack. The date of the race will be decided by each organization Société du Trotteur Français. The start declaration will be [registered](#) by SETF and ST.

The choice of the racetrack where the horses have to qualify is made according to the country where they have spent the longest time in training between the 1st of January and the 31 of July of the year in which the Final is held. An exception from this rule will be possible if a horse had participated in a Group I race four weeks before the Eliminatoires.

Eliminatoires : each at least 30.000 €

Final: at least 350.000 €

The following countries enter all foals born in 2020 and registered in their Stud-Book on the basis of 10 Euros per foal: Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Ireland, Italy, Lithuania, The Netherlands, Norway, Spain, Sweden, Switzerland.

The list of the horses confirmed and the payment corresponding have to be sent to UET before September 30 of the year following the birth.

- of the confirmations before December 31 of the year.
- of the start declaration within the 30 days after the closing date.

Maximum 12 runners in each Eliminary and in the Final are accepted. If only 12 start declarations are received, there will be only one race.

The number of Eliminatoires shall be decided according to the number of definitive Start Declarations received.

## **ELIMINATORIES:**

The number of starting horses will be determined by the formula of eliminatory races of each racetrack, under the following conditions :

12 runners	One eliminatory		
13 to 24 runners	Two eliminatorys	37 to 48 runners	Four eliminatorys
25 to 36 runners	Three eliminatorys	49 to 60 runners	Five eliminatorys, etc.

The number of places in the Final shall be distributed in proportion to the number of horses started in the eliminatory races on both Racetracks.

Should the number of horses to be qualified for the Final in the different eliminatory races not be the same in each race, both Racecourses shall first qualify the same number of horses per eliminatory race. The remaining post positions in the Final are assigned on each Racetrack to the horse coming next in the classification, **having the best absolute time. If still a tie (the same 10th of a second), it will be a draw.**

If a horse qualified to the Final is not declared starter, it can be replaced, before the drawings of post positions in that Final, by the next horse in the ranking of the relevant eliminatory.

The distribution of the horses in the different eliminatory races containing the same number of horses at one unit, is done according to the rules which can be consulted at the U.E.T. office. (phrase difficile à comprendre).

Should a horse be disqualified in an eliminatory race as a result of a positive doping test, it will be automatically disqualified in the Final.

## **POST POSITION:**

Eight (8) horses will start in the first row in each race.

In the eliminatory races, the post positions will be drawn by lots.

Horse number one of each country (**with the highest life earnings**) starts in the first line.

In the Final, the post positions shall first be drawn among the winners of the eliminatory races, then among the seconds, the thirds, etc.

The drivers are authorised to choose their post position in this order.

SETF will support the transport fees by truck from Solvalla to Vincennes for horses qualified on the basis of 0.5 EURO per km and horse. Owners who organise themselves the transport of their horse will receive compensation on the same basis.

## **RESPONSABILITIES OF THE FEDERATIONS:**

The Federation is responsible for the holding of the list of the entries for the horses born and registered in its stud-book. This one takes the commitment to contact the owners of horses for the various confirmations in due time.

## **PAYMENT OF THE FINAL:**

UET will pay to the organizer of the Final the amount effectively collected, in full for this one to complete the prize money announced 30 days after the Final.
