Maximum 12 runners in each Eliminary race and in the UET Grand Prix Final are accepted. If only 12 start declarations are received for the Eliminatory races, there will be only one race.

The number of Eliminatory races shall be decided according to the number of definitive Start Declarations received.

ELIMINATORIES:

The number of starting horses will be determined by the formula of Eliminary, under the following conditions :

12 runners	One Eliminary race		
13 to 24 runners	Two Eliminary races	37 to 48 runners	Four Eliminary races
25 to 36 runners	Three Eliminary races	49 to 60 runners	Five Eliminary races, etc.

The number of places in the UET Grand Prix Final shall be distributed in proportion to the number of horses started in the Eliminary races on both racetracks.

Should the number of horses to be qualified in the UET Grand Prix Final in the different Eliminary races not be the same in each race, both racetracks shall first qualify the same number of horses per Eliminary race. The remaining post positions in the Final are assigned on each racetrack to the horse coming next in the classification, having the best absolute time. If still a tie (the same 10th of a second), it will be a draw.

The post positions of the qualified horses in the UET Grand Prix Final, the name of the driver, the shoes declaration and all the elements requested by the country organising the race is fixed on the 4th October, 12am.

If a horse qualified to the UET Grand Prix Final is not confirmed as a starter, it can, before the drawings of post positions in that race, be replaced by the next horse in the ranking of the relevant Eliminary race.

The distribution of the horses in the different Eliminary races containing the same number of horses at one unit, is done according to the present rules and can be consulted at the UET secretariat.

Should a horse be disqualified in an Eliminary race as a result of a positive doping test, it will be automatically disqualified in the UET Grand Prix Final.

If a horse, after all the Eliminary races, has been treated in a way that requires a 14 days or longer withdrawal period according to the "List of prohibited substances and withdrawal times" of the Swedish Trotting Association, the horse is not allowed to race in the UET Grand Prix Final.

No horse is allowed to take part in a race between the day after the date of declaration as a starter in an Eliminary race and the race itself.

No horse is allowed to take part in a race between the Eliminary races and the UET Grand Prix Final.

POST POSITION:

Eight (8) horses will start in the first row in each race. In the Eliminary races, the post positions will be drawn by lots.

Horse number one of each country (with the highest life earnings) starts in the first line.

In the UET Grand Prix Final, the post positions shall first be drawn among the winners of the Eliminary races, then among the seconds, the thirds, etc.

The trainers and owners are authorized to choose their post position in this order.

Solvalla racetrack will support the transport fees by truck from Vincennes to Sweden for horses qualified in France on the basis of 0.5 € per km and horse. Owners who organize themselves the transport of their horses will receive compensation on the same basis.

RESPONSABILITIES OF THE FEDERATIONS
