

14th stage of the UET Elite Circuit 2025

Åby Stora Pris

Åby Racetrack, Sweden – August 16

The field tightens behind GO ON BOY

On Saturday, August 16, the Åby Racetrack was the scene of the last stage of the UET Elite Circuit in Scandinavia. The main contenders in this challenge will return to Sweden for the grand final on October 11 at Solvalla. In the meantime, there will be two more races in September, the first on the 6th in Cesena and the second on the 20th in Mons.

Sweden's **IMMORTAL DOC** made a sensational debut on the circuit by winning this stage in Åby with Björn Goop in the sulky. **ÖNAS PRINCE**, who had the opportunity to pick up important points, did not quite live up to expectations. Finishing only eighth, he scored just two points. However, these were enough to allow him to catch up with **ALWAYS EK** and even overtake him in terms of number of appearances. He now finds himself in second place on the podium. But with a 23-point deficit, it will be almost impossible for him to take the top spot in the standings from France's **GO ON BOY**. **IMMORTAL DOC**'s runner-up, **KENTUCKY RIVER**, moved up from 6th to 4th place. As for **MELLBY LINX**, the 6 points he earned with his 5th place finish allowed him to break into the top 10, moving up to 9th place.
