

2026 UET Elite Circuit - 8th stage
Elitloppet
Solvalla Racetrack, Sweden – May 31, 2026

**ALLEGIANT becomes a legend at Solvalla and
GO ON BOY reclaims the circuit's yellow jersey**

The 2026 edition of the famous Elitloppet at Solvalla will go down in the history of international trotting. By covering the 1,609-meter course in 1:07.1, the American-bred mare **ALLEGIANT** made history in grand style, setting a new world record in the process. Youth has also taken the reins, as the horse trained by Swedish trainer Daniel REDEN is 5 years old, just like the runner-up, the Swedish horse **DREAM MINE**. Finishing a strong third in this eighth stage of the UET Elite Circuit, the French Trotter **GO ON BOY** – the only competitor to race in shoes – regained the lead in the provisional standings with 30 points and shattered his personal best in the process.

After clinching her spot in the final by finishing fourth in her heat – the one won by **GO ON BOY** – **ALLEGIANT** naturally had to start from an outside position behind the autostart wings, specifically gate number 7. Setting off very quickly to take the lead early on, Örjan KIHLSSTRÖM's partner maintained her speed throughout the race. The daughter of **TACTICAL LANDING** crossed the finish line without being seriously challenged, much to the delight of her team. Overpowered by the glorious Swedish veteran, **DON FANUCCI ZET** in the first heat, **DREAM MINE** took his revenge in the final, but was never able to challenge the winner's superiority, while still putting in a top-notch performance. The next stop on the UET Elite Circuit remains in Scandinavia with the Oslo Grand Prix on Sunday, June 14.
